Sebastian **Daza**

Data Scientist · Data Analyst · Demographer · Sociologist

Av. Francisco Pi y Margall 86, 2D, Madrid, Spain, 28050

(+34) 634 49 16 16 | sebastian.daza@gmail.com | https://sdaza.com | sdaza | sebastian.daza

Summary

Social data scientist and analyst with hands-on experience designing, managing, supervising and analyzing applied social and industry studies. Strong applied quantitative and qualitative skills and social and behavioral background. I am eager to apply my knowledge and skills in researching and impacting people around us and working with interdisciplinary and multicultural teams.

Work Experience

Institute of Economy, Geography and Demography, CCSH-CSIC   *Madrid, Spain*

Senior Data Researcher Analyst   *Dec. 2019 - PRESENT*

- Leading team of researchers to study early conditions, delayed adult effects and morbidity, disability and mortality
- Leading Scrum ceremonies and tracking progress using Notion
- Supervising and implementing complex data analysis on demography and genomics using R and Java

Juntos Global   *Bay area, California, US*

Senior Data Scientist   *May. 2018 - Dec. 2019*

- Led analytic and data science team for user insights
- Provided user insights through the design and analysis of experiments (A/B testing)
- Implemented NLP and machine learning models to classify users and topics
- Worked closely with Product Managers, Software Engineers, and Design team to improve Juntos' product
- Collaborated in the design and implementation of the data pipeline using Python, PySpark, and Databricks

Center for Social Studies, Catholic University   *Santiago, Chile*

Data Scientist Consultant   *Jul. 2010 - May. 2018*

- Designed samples and post-adjustments in large studies (organizational, public opinion, and educational studies)
- Provided methodological guidance (attrition, non-response adjustment)

Center for Studies in Demography and Ecology, UW-Madison   *Madison, US*

Research assistant   *Jul. 2014 - May. 2018*

- Participated in four research projects
- Presented results in conferences and published papers

Center for Social Studies, Catholic University   *Santiago, Chile*

Director   *May. 2005 - Jul. 2010*

- Led several research projects in areas such as organizational studies (engagement surveys, climate and pulse checks, culture analysis), political perception and government approval ratings, education (curriculum impact), tobacco and substance, and crime and delinquency.
- A key project was the Survey of Social Cohesion in Latin America(ECosociaL) that involved 7 countries: Chile, Argentina, Brazil, Colombia, Guatemala, Mexico and Peru, and 10,000 cases.

Consultancy

Center for Justice and Society Studies, Catholic University   *Santiago, Chile*

Research affiliate   *Mar. 2016 - PRESENT*

- Co-investigator of the project Women Re-entry Study
- Provide methodological advice for the design of samples and experiments

Kreuger Consulting, LLC   *Texas, US*

Data Scientist   *May. 2021 - Jul. 2021*

- Created an interactive data dashboard tool using R and Shiny, to visualize the output of a Covid-19 agent-based model
- Provided domain stakeholders with the ability to interact with and modify the results displayed

Personio *Madrid, Spain*

<small>DATA SCIENTIST</small> *May. 2020 - Jul. 2020*

- Created an interactive data dashboard tool using R and Shiny to assess recruitment performance and transition rates between interview states. The dashboard also simulates hiring scenarios to estimate the number of interviews and recruiters needed by position, role, and office.

Applied Population Lab, UW-Madison *Madison, US*

<small>DATA SCIENTIST</small> *Oct. 2016 - Jul. 2018*

- Created R package to extract variables and statistics from the American Community Survey and Decennial US Census.

Skills

Programming	Python, Java, R
Data science	Machine Learning, NLP, Visualization, Dashboard (Dash, Shiny), pySpark, SQL, PostgreSQL, Databricks
Stats software	R, Python, Stan, Stata, MPlus
Modeling	GLM, multilevel, SNA, SEM, life tables, survival analysis, causal inference, Bayesian statistics, agent-based modeling (ABM)
Tools	Notion, Trello, Jira, Confluence, Git, Latex
Languages	English, Spanish
Teaching	Taught courses on statistics, data science, and research design to undergraduate and graduate students.

Software

acsr	Created R package to extract variables and statistics from the American Community Survey and Decennial US Census
zotnote	Created Python package to extract notes from Zotero (Reference Manager)

Education

University of Wisconsin-Madison *Wisconsin, US,*

<small>PHD IN SOCIOLOGY AND DEMOGRAPHY</small> *Feb. 2021*

Catholic University of Chile *Santiago, Chile*

<small>MASTER OF ARTS IN SOCIOLOGY</small> *Jan. 2009*

Catholic University of Chile *Santiago, Chile*

<small>BACHELOR OF ARTS IN SOCIOLOGY</small> *Mar. 2004*

Certifications

2017	**The Data Incubator (Data Science)**, Capstone Project: Tracking sentiment of Congress members' tweets	*Washington DC, US*
2021	**Genomics for Social Scientists - National Institute of Aging**, University of Michigan	*Michigan, US*
2016	**Agent-Based and Hybrid Modeling Bootcamp**, University of Saskatchewan	*Saskatoon, Canada*
2015	**Agent-based Model Analysis**, Technische Universität Dresden	*Dresden, Germany*
2014	**Agent-based Modeling and Simulation**, Max Planck Institute for Demographic Research	*Rostock, Germany*
2011	**Social Network Analysis with Actor-based Models**, Summer Institutes in Statistics, University of Kansas	*Kansas, US*
